

## BATS EAT BUGS

Bats eat bugs, they don't eat people  
Bats eat bugs, they don't fly in your hair  
Bats eat bugs, they eat insects for dinner  
That's why they're flying out there

Coyotes eat rabbits, they don't eat people  
Coyotes eat rabbits, 'cuz you're too big to bite  
Coyotes eat rabbits, they eat rabbits for dinner  
That's why they're out at night

Bats eat bugs, they don't eat people  
Bats eat bugs, they don't fly in your hair  
Bats eat bugs, they eat insects for dinner  
That's why they're flying out there

Snakes eat mice, they don't eat people  
Snakes eat mice, that's why they're on the ground  
Snakes eat mice, 'cuz we're too big to swallow  
So they don't want you hanging around

Bats eat bugs, they don't eat people  
Bats eat bugs, they don't fly in your hair  
Bats eat bugs, they eat insects for dinner  
That's why they're flying out there

Bears eat berries, they don't eat people  
Bears eat berries, they don't eat you or me  
Bears eat berries, and they'll steal your dinner  
So you better hang it high in a tree

Bats eat bugs, they don't eat people  
Bats eat bugs, they don't fly in your hair  
Bats eat bugs, they eat insects for dinner  
That's why they're flying out there

Nothing out there wants to eat you  
Nothing out there wants to make you its meal  
Nothing out eats people for dinner  
'cuz they know how sick they will feel

Bats eat bugs, they don't eat people  
Bats eat bugs, they don't fly in your hair  
Bats eat bugs, they eat insects for dinner  
That's why they're flying out there

## GOING INTO THE NIGHT

Going into the night  
There is magic in the night  
Singing out the song that's clear  
The great horned owl is my nighttime pal  
With a song that you can hear  
And the owl that you can hear (hoo, hoo)

Going into the night  
There is magic in the night  
Singing out the song that's clear  
Down in the bog there are lots of frogs  
With a song that you can hear  
And the frogs that you can hear (ribbit, ribbit)  
And the owl that you can hear (hoo, hoo)

Going into the night  
There is magic in the night  
Singing out the song that's clear  
Out in the thickets there are lots of crickets  
With a song that you can hear  
And the crickets that you can hear (chirp, chirp)  
And the frogs that you can hear (ribbit, ribbit)  
And the owl that you can hear (hoo, hoo)

Going into the night  
There is magic in the night  
Singing out the song that's clear  
The mournful note of the lone coyote is a song that you can hear  
And the coyotes that you can hear (ahwoo, ahwoo)  
And the crickets that you can hear (chirp, chirp)  
And the frogs that you can hear (ribbit, ribbit)  
And the owl that you can hear (hoo, hoo)

Going into the night  
There is magic in the night  
Singing out the song that's clear  
The silent wonder of the people's heart is a song that you can hear  
And the silence that you can hear (silence, silence)  
And the coyotes that you can hear (ahwoo, ahwoo)  
And the crickets that you can hear (chirp, chirp)  
And the frogs that you can hear (ribbit, ribbit)  
And the owl that you can hear (hoo, hoo)

And the silence that you can hear

## MOON ON THE MEADOW

Moon on the meadow, wind in our ears  
Smoke in our eyes, wet wood and tears  
On up the meadow, water somewhere  
We were the only ones there

Wild Horse and Slushie, Dry Lakes, The Peaks  
Finding the love, that everyone seeks  
Hiking to rainbows, sunset and stars  
Just finding out who we are

Moon on the meadow, wind in our ears  
Smoke in our eyes, wet wood and tears  
On up the meadow, water somewhere  
We were the only ones there

We will return there some lucky day  
Our hearts will guide us  
They know the way  
People in cities, don't understand  
We're falling in love with the land

Moon on the meadow, wind in our ears  
Smoke in our eyes, wet wood and tears  
On up the meadow, water somewhere  
We were the only ones there
